# ABERDEEN STUDENT FESTIVAL 2024

Aberdeen Student Festival is an award winning, multi-arts and cultural festival which, this year, will be a singular event run by the 3rd year Events Management students of Robert Gordon University.

#REVIVALROOM

We are fundraising for the 'Save the Belmont Cinema' Charity to aid in their process of refurbishing and eventually re-opening the once loved cinema!

*For more information please visit [belmontcinema.co.uk](http://belmontcinema.co.uk)*

The 2024 ASF theme is centred around 'Restoration & Connection'. As a result of this brief, the 2024 event is aimed towards health and wellbeing with a focus on connecting not only the students of Aberdeen but also highlighting small & local business's value and their quality in the eyes of the younger generation in the city.

*Yoga, Lumba & Wellness Event*
